Items to be verified		Code	Check		Remarks		
			Y	N			
(3) Interview with Top Management							
3-1	Have you noticed any benefits since your company has introduced its SMS?	12.3	☒	☐			
3-2	What opinion do you have regarding SMS activities of all personnel involved?	12.3	☒	☐			
3-3	What matters has D. P. A. reported to you recently regarding SMS?	4	☒	☐			
3-4	How do you think about Key points of Management Review?	12.3					
-a	Highlight management review documents including its attachment		☐	☒	See available master's review safety committee meeting and internal audit effectiveness		
3-5	What do you think about Casualties of late years in the world?	-	☐	☒			
(4) Responsibility of Designated Person Ashore (D.P.A.)							
4	Is D.P.A. monitoring the safety and pollution-prevention aspects of the operation of each ship and ensuring that adequate resources and shore-based support are given as needed?	4	☐	☒	The judgement shall be made taking into consideration of the following items.		
4-1	How often do you or nominated personnel on your behalf visit your ships?	4	☐	☒	NC 1/4		
4-2	Can all Masters identify you as the DPA and that you are the specific person in charge of SMS?	4	☒	☐			
4-3	What matters did you report to top management? (What matter recently?)	4	☒	☐	☐ Regular Reports	☐ Occasional Reports	
4-4	How do you ensure adequate resources (e.g. inventory management) available for ship and ashore?	3.3	☒	☐			
(5) System Review							
5	Is the company periodically evaluating the effectiveness of SMS and, when needed, reviewing the SMS in accordance with procedures established by the company?	12.3	☐	☒	The judgement shall be made taking into consideration of the following items. NC 1/4		
5-1	Confirm if proper revisions on the SMS Policy, Manuals and Procedures, since the last audit have been made, on the basis of company's explanations with reasons on the revised parts.	12.3			Typical Reasons of Revision: ☐ Organization ☐ Rule/Regulation ☐ Internal/External Audit ☐ Non-conformity/Deficiency for SMS offered by Staff/ Master ☐ PSC Inspection ☐ Casualty ☐ Accident ☐ SOLAS V/28 – Retention of Daily		
-a	Have the revisions of mandatory rules, such as IMO conventions, been taken into SMS?	1.2.3.1	☒	☐			
-b	Are the revisions approved by responsible person, according to the procedures?	11.2.2	☒	☐			
5-2	Following items, as functional requirements of SMS, shall be verified.						
-a	Is the Safety & Environmental-protection Policy clearly shown?	2.1	☒	☐	☐ Signature of the Top management	☐ Latest revision date	01/11/2024
-b	Are the objectives of SMS clearly stated in the SMS?	1.2	☒	☐	☐ Continuously improve safety management-skills	☐ Mandatory rules	
-c	Risk Assessment	1.2					

Items to be verified		Code	Check		Remarks
			Y	N	
-c(1)	Are there procedures for risk assessment in SMS?		☒	☐	
-c(2)	What is the scope of risk assessment in vessel?		☒	☐	Element of the procedure: ☐ Identification of the risk ☐ Shipboard operations ☐ Assessment of the risk ☐ Emergency preparedness ☐ Establishment of safeguard against the risk ☐ Maintenance of the ship and equipment ☐ Others: [TEXT] IMSBC Code 3.1.2: ☐ Fire safety risk assessment-Cargo handling areas on self-unloading bulk carriers featuring internally installed conveyor systems within the ship's structure ☐ Have you procedures for fire safety risk assessment in SMS? ☐ Identification of the fire safety risk under all anticipated operating conditions and cargoes ☐ Establishment of safeguard with due consideration for fire prevention and the effective operation of fire detection systems, containment and suppression against the fire safety risk ☐ Hot work near conveyor system ☐ Conveyor systems (Maintenance of rotor bearing and shaft) ☐ Operating conditions and cargo ☐ Fire-Extinguishing system (Fire Detecting Alarm System etc.)
-c(3)	Who has the responsibility to the implementation of risk assessment?		☒	☐	☒ Company [DPA] ☒ Ship [NAKHODA]
-c(4)	Are identified risks to ships, personnel and the environment assessed and reviewed at the meetings?		☒	☐	
-c(5)	Are there any safeguards newly established on the results of the management review?		☐	☒	☐ Safeguard newly established [N/A] ☐ It is judged no new safeguard is needed
-d	Are the procedures of reviewing SMS by the master and reporting its deficiencies to the shore-based management stated in the SMS?	5.1.5	☐	☒	☐ Is the timing of reporting clearly specified?
-e	Are the procedures of reporting accidents and NC to the SMS stated in the SMS?	9.1	☒	☐	☐ Is the definition of NC clearly specified?
5-3	Following items shall be verified on the basis of records of system reviews.				NC 2/4
-a	Are system review meetings held by the company, at least once a year?	12.3	☐	☒	
-b	Are necessities of revisions of the SMS discussed at the meetings?	12.3	☐	☒	
-c	Are the results of system reviews brought to all Departments and Ships?	12.6	☐	☒	
-d	Are performances and appraisals of manning agencies and training needs for seafarers (Masters & Crew) discussed at the meetings?	12.2	☐	☒	
-e	Are detentions & deficiencies by PSC and NC & OBS at Internal/External Audits discussed at the meetings?	12.3	☐	☒	
-f	Are the results of Master's SMS reviews and reported deficiencies/failure	12.3	☐	☒	

Items to be verified		Code	Check		Remarks
			Y	N	
	reports discussed at the meetings?				
-g	Are countermeasures, and revisions of SMS if necessary, for accidents, casualties and sickness & death occurred on ships managed by either the company or others discussed at the meetings?	12.3	☐	☒	
5-4	Non Conformities were raised at past External Audits of Ship/Company and Internal Audits.				
-a	Verification of investigation & analysis on Non Conformities	12	☒	☐	In the Renewal Audit, this verification should be extended over the past 5 years.
-b	Verification of investigation & analysis on PSC detention, marine casualty	12	☒	☐	
6) Internal Audit					
6	Is the company carrying out internal safety audits to verify whether safety and pollution-prevention activities comply with the SMS?	12.1			The judgement shall be made taking into consideration of the following items.
6-1	Implementation of Internal Audits shall be verified on the basis of its plans.				
-a	Are Internal Audits for all departments and ships planed at intervals not exceeding twelve months?	12.1	☒	☐	
-b	Are procedure and criteria to extend internal audit within three months under exceptional circumstances established in SMS?	12.1 12.4	☒	☐	
-c	Are all Internal Audits conducted within twelve months from previous date of audit? Date of previous internal audit 16 December 2024 Date of last internal audit 01 December 2025	12.1	☒	☐	If “No” go to 6-1-d (to be filled with date of two last previous internal audit) (to be filled with date of latest internal audit)
-d	Are extension of Internal Audits conducted as per SMS manual/Procedures?	12.1 12.4	☐	☒	☒ N/A
6-2	Following items shall be verified on the basis of Internal Audit Reports.				
-a	Are Internal Audits carried out as per SMS Manual/Procedures?	12.4	☒	☐	☐ Assignment of Internal Auditor(s) ☐ Notification of Internal Audit ☐ Checklists If any comments of Top Management or Designated Person(s) could not be found, NC may be raised relating to the ISM Code 12.3.
-b	Are corrective action requests and corrections for NCs, and verification of its effectiveness carried out in order?	12.7	☒	☐	
-c	Are results of Internal Audits reported to Top Management as per Procedures?	12.4	☒	☐	
-d	Are results of Internal Audits brought to all Departments and Ships?	12.6	☒	☐	
6-3	Checklists for Company Internal Audit shall include following items.				Points of Checklist; in detail
-a	State of records prepared by office and records from Ships.	12.1	☒	☐	
-b	State of management of controlled documents and legal/statutory publications (incl.abolition).	12.1	☒	☐	
-c	Response to requisitions from Masters of ships.	12.1	☒	☐	
-d	Response to Trouble/Failure reports from Masters of ships.	12.1	☒	☐	
-e	Performances of Manning Agencies and control of Seamen’s Certificates.	12.1	☒	☐	
-f	Pre-joining training, Essential Instructions and Training needs.	12.1	☒	☐	
-g	Joint Exercises for Emergency and Evaluation for them.	12.1	☒	☐	
6-4	Checklists for Shipboard Internal Audit shall include following items.				
-a	Official (Deck) Log Book Entry.	12.1	☒	☐	SOLAS, Chapter III, Reg.19, 5 “Records”: ☐ Abandon ship drills ☐ Fire drills ☐ Other life-saving appliances ☐ Onboard training

Items to be verified		Code	Check		Remarks
			Y	N	
					☐ Enclosed space entry and rescue drills
-b	Motivation of crewmembers for company's SMS by Master.	12.1	☒	☐	
-c	Placards to be posted up, such as Master's standing order and so on.	12.1	☒	☐	☐ Master's order ☐ Muster Lists ☐ Smoking regulation ☐ Watch schedule ☐ Garbage control
-d	Verification by Master on Voyage & Passage plan and Chart correction.	12.1	☒	☐	STCW Code, Part A, Section A-VIII/2, Part 2 "Voyage Planning" C/E shall, in consultation with Master, determine the needs of the intended.
-e	Confirm ECDIS handling procedure in SMS how to update ENC's	12.1	☐	☒	N/A
-f	Master's review on the SMS and reporting its deficiencies.	12.1	☒	☐	☐ Master's judgement on effect of SMS & his proposal to improve the SMS & ☐ Reporting to the company of any SMS deficiency have been made regularly?
-g	Master's awareness on the SMS	12.1	☒	☐	
-h	Familiarization training & Essential instructions for newly joined crew.	12.1	☒	☐	STCW Code, Part A, Section A-VI/1 & Section A-I/14 ☐ Elementary training (A-VI/1-1) ☐ Specific training (A-I/14-2)
-i	Training needs on operation & maintenance of hull, machinery & equipment.	12.1	☒	☐	
-j	Crewmembers' awareness on the SMS, incl. languages and education.	12.1	☒	☐	
-k	Performance of crewmembers; communication, behavior & activity.	12.1	☒	☐	☐ Appraisal records
-l	Deck & Engine Log Book as per Manual/Procedures	12.1	☒	☐	☐ Especially special operation, etc.
-m	Garbage Record Book	12.1	☒	☐	☐ Evidence of plastics disposal ashore
-n	Drills, Training & Instructions onboard	12.1	☒	☐	☐ Yearly Plan
-o	Training onboard for Emergency Situations specified by the Company	12.1	☒	☐	☐ Collision ☐ Grounding ☐ Oil pollution(SOPEP) ☐ Flooding ☐ M/E failure ☐ Blackout
-p	Drills, Training and Instructions onboard required by SOLAS	12.1	☒	☐	SOLAS, Chapter III, Reg.19(Emergency training & drills), Chapter V, Reg.26 (Steering Gear)
-q	Launching record for Life/Rescue boat(s)	12.1	☒	☐	Chapter III, Reg.19, 3.3.3 (at least once every three months)
-r	Detentions/Deficiencies by PSC and NC/OBS at External Audits.	12.1	☐	☒	N/A
-s	Progress monitoring & reporting of Planned Maintenance	12.1	☒	☐	
-t	Corrections and preventive measures to Trouble/Failure Reports	12.1	☒	☐	
-u	Management of Controlled Documents and Legal Books & Publications	12.1	☒	☐	☐ Controlled Documents ☐ Publications ☐ Legal/Statutory Books ☐ Latest Edition
-v	Management of Incoming/Outgoing letters	12.1	☒	☐	Incoming letters Outgoing letters
-w	Management of controlled records	12.1	☒	☐	Records kept onboard Reports to Company
6-5	Periodical verification to all those undertaking delegated ISM-related tasks	12.2			☐ Manning Agencies ☐ Maintenance ☐ Internal Auditor(s) ☐ Other : [TEXT] ☐ N/A Notice: Resolution MSC.353(92) the amendments to ISM Code entered into force on 1 January 2015. (ISM Code 6.2, and 12.2 to 12.7)
-a	Are there procedures of periodically verifying whether all those undertaking delegated ISM-related tasks are acting in conformity with the Company's responsibilities under the Code?	12.2	☒	☐	
-b	Are the periodical verifications planned to carry out, at least once a year?	12.2	☒	☐	
-c	Are the Periodical verifications carried out as per SMS Manual/Procedures?	12.2	☒	☐	

Items to be verified		Code	Check		Remarks
			Y	N	
(7) Shipboard Operation, Specific Items for Ship Types & Flag States					
7	Are plans and instructions, including checklist as appropriate, for key shipboard operations concerning the safety of the ship and the prevention of pollution established and maintained?	7			The judgement shall be made taking into consideration of the following items.
7-1	Confirmation of Procedures & checklists				
-a	Are procedures & Checklists for key shipboard operations maintained properly?	7	☒	☐	☐ Enter/leaving port ☐ Watch (at sea/in port) ☐ Chart correction ☐ Cargo Handling ☐ Dangerous work ☐ Pollution prevention
-b	Have you procedures for handling cargoes other than specified in existing procedures?	7	☒	☐	☐ Ask the company's assistance ☐ Pre-notice from the company
7-2	Supporting the shipboard Operation				
-a	Confirm how to supply Notice to Mariners and Charts.	6.1.3	☒	☐	☒ Direct from company. ☐ Is the company confirming the direct sending by chandler? ☐ Is any procedure available in urgent cases?
-b	What kind of official letters have you issued to provide the ships with necessary information?	6.1.3	☒	☐	☐ Guideline for Voyage Planning IMO Res. A.893(21) ☐ Piracy Information ☐ Ballast Water Management ☐ PSC Information
-c	Has any Master ever made use of his overriding authority actually?	5.2	☐	☒	☐ Assistance from the Company ☐ Investigation by the Company and revision of SMS, when necessary.
7-3	Specific Items for Ship Types				
-a	Specific Items for all ship types shall be verified.	7	☒	☐	
7-4	Specific Items for Flag States				
-a	Are the Rules and Circulars of every Flag available in the office and onboard each ship?	1.2.3.1	☒	☐	
-b	Compliance with requirements specific Flag State shall be confirmed. For Indonesian Flag a. Cyber security procedures (SE 35 Tahun 2020) [TEXT] b. Covid-19 procedures (SE 14 Tahun 2020) [TEXT]	1.2.3.1	☒	☐	(to be filled with procedures reference number) (to be filled with procedures reference number)
(8) Emergency Preparedness					
8	Has the company identified and described the potential emergency shipboard situations and established procedures to respond to them? Are programmes for drills and exercises to prepare for emergency actions established? Can the company's organization respond at any time to them?	8			The judgement shall be made taking into consideration of the following items
8-1	Identification and Response procedures for potential Emergency Situations				
-a	Have emergency situations identified by the company been reviewed?	8.1	☒	☐	☐ Actual Casualties? ☐ Piracy
-b	Is a yearly plan for joint exercises and shipboard drills prepared?	8.2	☐	☒	☐ Joint exercise at least once a year ☐ Different type of emergency every year
-c	Is "Emergency Contact List" updated?	8.3	☒	☐	☐ Latest revision date : 01 November 2024
-d	Is emergency contact to the company always available?	8.3	☒	☐	☐ How many phones : [TEXT] ☐ How many Fax [TEXT] ☐ Exclusive use ☐ How they cope with the situation, when all phones are busy
-e	Are emergency reporting procedures (1st and subsequent detail reports) clearly specified?	8.1	☒	☐	

Items to be verified		Code	Check		Remarks
			Y	N	
-f	How emergency response team been dealt with in case of prolonged situations?	8.3	☒	☐	
-g	Is Emergency Towing Booklet prepared in the Company for emergency preparedness?	8.3	☒	☐	The ship-specific emergency towing manual shall be provided for all ships.
8-2	Verification on Joint Exercises on the basis of exercises reports/records				NC 3/4
-a	Was the emergency response team actually mobilized?	8.2	☐	☒	
-b	Was a scenario for the joint exercises prepared?	8.2	☐	☒	
-c	Are the last exercise's evaluation reflected in the recent exercise?	8.2	☐	☒	
-d	Were ship's drawings, nautical charts, exclusive phone, etc actually prepared?	8.2	☐	☒	
-e	Were outside organizations actually involved?	8.2	☐	☒	
-f	Were the exercises performed during office hours?	8.2	☐	☒	
-g	Were the results of the exercise evaluated by the Company & the Master?	8.2	☐	☒	☐ Confirm the Master's evaluation
-h	Are any points to be improved in emergency respond procedures found?	8.2	☐	☒	☐ Is the procedures revised, when it is necessary?
-i	Were all activities of exercise, from beginning to closing out, recorded?	8.2	☐	☒	
8-3	Verification of onboard Drills and Training on the basis of their reports/records				
-a	Were onboard drills & training executed as per SOLAS requirements?	8.2	☒	☐	☐ SOLAS, Chapter III, Reg.19 "Emergency training and drills" ☐ SOLAS, Chapter V, Reg.26 "Steering gear: Testing and drills"
-b	Is the duration of the drill reasonable?	8.2	☒	☐	
-c	Are the extinguishers used at Fire drills suitable to target locations?	8.2	☒	☐	☐ Electric ☐ Oil ☐ Others : [TEXT]
-d	Are onboard Drills, Training and Instruction for emergency situations executed as per procedures?	8.2	☒	☐	Those specified in the SMS: ☐ Collision ☐ Oil pollution (SOPEP) ☐ Flooding ☐ Grounding ☐ Emergency Towing ☐ Recovery persons from the water, etc.
-e	Was a scenario for the onboard emergency exercise prepared?	8.2	☒	☐	
-f	Were the results of Drills and Training evaluated by Master?	8.2	☒	☐	
(9) Non-conformities, Deficiencies, Accidents & Hazardous Occurrences					
9	Does the company ensure that non-conformities, accidents and hazardous situations are reported to the company, investigated and analysed with the objective on improving safety and pollution prevention, and necessary corrective actions are taken?	9			
9-1	Reporting of Non-conformity(Deficiency) and Measures to address them				☐ Deficiency Report ☐ Minutes of Ship Meeting ☐ Experience Report ☐ Failure Report ☒ Non-conformity Report ☐ Free Form
-a	Are definitions of Non-conformity (Deficiency) clearly specified in the SMS?	9.1	☒	☐	☐ Non-conformity: SMS Problem ☐ Deficiency: Problem of Hard ware ☐ Failure Report found, although they call everything as deficiency.
-b	Are deficiencies at PSC inspections reported to the company?	9.1	☐	☒	☐ What Form to be used?
-c	Are NCs and OBSs raised at external audits reported to the company? (External audit is defined by other audits which could impact ISM deficiency or ship performance e.g SIRE)	9.1	☒	☐	☐ What Form to be used?
-d	Are incompetent crew and claim from outside party reported to the company?	9.1	☐	☒	☐ What Form to be used?
-e	Is there no lack of PSC Records kept by the company, comparing with	9.1	☐	☒	

Items to be verified		Code	Check		Remarks
			Y	N	
	PSC history obtained through information to auditor?				
-f	Do reports to the company contain proposed corrective actions?	9.2	☐	☒	
-g	Are these reports investigated and analyzed by the company?	9.2	☐	☒	
-h	Have these matters, together with preventive measures, been brought to the attention of other ships concerned?	9.2	☐	☒	
9-2	Reporting of Casualties, Accidents & Incidents and Measures to address them				
-a	Is there any casualty or accident? Is this reported to company, if any?	9.1	☐	☒	☐ What Form to be used?
-b	Have these reports been investigated and analyzed by the company?	9.2	☐	☒	
-c	Have these matters been brought to the attention of other ships concerned?	9.2	☐	☒	
9-3	Reporting of Hazardous Occurrence (Near miss) and Measures to address them				
-a	Are hazardous occurrences (Near miss) reported to the company?	9.1	☐	☒	☐ What Form to be used?
-b	Are these reports investigated and analyzed by the company?	9.2	☐	☒	
-c	Have these matters, together with preventive measures, been brought to the attention of other ships concerned?	9.2	☐	☒	
(10) Maintenance					
10	Does the company ensure that the ship is maintained in conformity with the provisions of the relevant rules and regulations and with any additional requirements, which may be established by the company?	10			The judgement shall be made taking into consideration of the following items.
10-1	Confirmation of Certificates & Survey Records				The Statutory and Class Certificates, and the Statutory and Class survey records of at least one ship for each ship type shall be verified, irrespective of classifications
-a	Are the validity of certificates and survey arrangements properly managed?	10.1	☒	☐	
10-2	Planned Maintenance				Typical Reasons for Revisions of maintenance Standards and Plans:
-a	Are the planned maintenance items and their intervals in order?	10.2.1	☐	☒	☐ Master's Report ☐ RO's Survey ☐ RO's Audit PSC Company's Analysis
-b	Are revisions of maintenance standards and maintenance plan in order?	10.2.1	☐	☒	☐ Auditor should verify that Company has the technical standards for maintenance to hull structures, machineries and equipment, including the mechanical damages, corrosion/wastage and rust to them for repair
-c	Are the progress monitoring of planned maintenance executed properly?	10.2.1	☐	☒	
10-3	Support from Ashore				
-a	Is person in charge responding to failure reports from ship immediately?	10.2.3	☒	☐	
-b	Are possible causes described in the failure reports?	10.2.2	☒	☐	
-c	Are appropriate corrective actions for the failure reports taken?	10.2.3	☒	☐	
-d	Are necessary information, such as revisions of convention and technical notices from makers, provided to ships under management?	6.1.3	☒	☐	☐ Revisions of Conventions (Information from ROs, etc.) ☐ Technical Information from Makers
10-4	Critical Equipment and Systems				
-a	Are specific measures aimed at promoting the reliability of critical equipment and systems provided?	10.3	☒	☐	Critical Equipment and Systems means those sudden operational failure of which may results in hazardous situations.
-b	Are the regular testing of stand-by arrangements and equipment or technical systems that are not in continuous use included?	10.3	☒	☐	
(11) Documentation					
11	Has the company established and maintained procedures to control all documents and data which are relevant to the SMS?	11			The judgement shall be made taking into consideration of the following items.

Items to be verified		Code	Check		Remarks
			Y	N	
11-1	Management of Controlled documents				
-a	Are the revisions of Manuals & procedures executed as per procedures?	11.2.2	☒	☐	☐ Prepared by whom ☐ Assessed and Approved by Responsible Person
-b	Are the distributions of revised documents executed as per procedures?	11.2.1	☒	☐	☐ Distribution list ☐ Confirmation of Receipt
-c	Are the obsolete documents removed as per procedures?	11.2.3	☒	☐	☐ Confirmation of Removal
11-2	Management of Legal/Statutory books and Publications				
-a	Is a list of books & publications to be placed in office and on board available?	11.2.1	☒	☐	☐ International Conventions ☐ Rules & Circulars of Flag States
-b	Is confirmation of updated editions executed as per procedures?	11.2.1	☒	☐	☐ At Internal Audits ☐ By Regular Review
11-3	Management of Official letters and Correspondences				
-a	Are official letters and correspondences of the company controlled properly as per procedures?	11.2.1	☒	☐	☐ Official Letters ☐ Regular Reports ☐ Internal Correspondences
-b	Are letters and documents from outside of the company controlled properly as per procedures?	11.2.1	☒	☐	☐ Flag States / Port States ☐ Owners / Charterers ☐ Makers, etc.
11-4	Are up-to-date as Built Construction Drawings available in the office for every ships managed by the company?	11.2.1			If the same are not available for ships constructed on or after 1 Jan. 2007, NC should be raised. (Mandatory requirement of SOLAS II-1/3.7)
(12) Manning					
12	Does the company ensure that each ship is manned with qualified, certificated and medically fit seafarers in accordance with national and international requirements, and necessary education and training are provided to all personnel concerned?	6			The judgement shall be made taking into consideration of the following items.
	Does the company ensure that each ship is appropriately manned in order to encompass all aspects of maintaining safe operation on board?				
12-1	Certificates & Medical fitness, etc.				
-a	Is a copy of Minimum Safe Manning Certificate of every ship available?	6.2.2	☒	☐	Verification shall be done, by sampling method, at least one ship for each Flag State
-b	Are copies of Certificates of competency for Masters & officers available?	6.2.1	☒	☐	
-c	Are copies of Certificates of proficiency, required by STCW, for rating crew available?	6.2.1	☒	☐	
-d	How has the person in charge checked the authenticity of certificates?	6.2.1	☒	☐	
-e	Are the personnel data, incl. copies of valid Medical certificates, of all crew in service available?	6.2.1	☒	☐	STCW 95, Regulation I/14 "Responsibilities of companies", 1.3 ☐ Medical certificate ☐ Service record ☐ Training history ☐ Competence
12-2	Assignment and Evaluation of Masters				
-a	Who is responsible for assigning the Masters, and what is the procedure for such assignment?	6.1.1	☒	☐	Pre-joining training for the Master Briefing at the company Who shall finally decide, when trained at Manning Agency?
-b	Who is responsible for assessing the Master's familiarity with SMS, and what is the procedure for such assessment?	6.1.2	☒	☐	
-c	Who is responsible to appraise the Master's abilities and performances, and what is the procedures for such appraisal?	6.1.1	☒	☐	

Items to be verified		Code	Check		Remarks
			Y	N	
12-3	Appraisal and Training of Seafarer				
-a	Are Familiarization Training for newly joined/transferred crew executed properly?	6.3	☒	☐	☐ Pre-joining training ☐ Essential Instructions ☐ Written Instructions to Master (STCW, Section A-I/14, 2) ☐ Records of Elementary and Specific Familiarization training
-b	Are the refresh training for seafarers, incl. reserve crew, executed properly?	6.4 6.5	☒	☐	☐ Training Needs ☐ Mandatory rules and regulations ☐ Applicable codes, guidelines and standards recommended by IMO, etc.
